9 August 2010

Highways Department Technical Circular No. 7/2010

Funding of Slope-related Remedial Works on
Unallocated Government Land

This circular updates and supersedes HyDTC No. 32/97 which is hereby cancelled.

2. The departmental responsibilities for maintenance of man-made slopes and emergency works on man-made slopes and natural terrain are spelt out in WBTC No. 26/99. The assignment of works responsibility and funding for slope-related emergency works on unallocated government land is further updated and set out in GEO Circular No. 38 (An extract of this Circular summarising the responsible parties and funding arrangements for such emergency works is attached in Appendix A).

3. For slope-related remedial works to be funded by Highways Department, the following arrangement shall be adopted:

- (i) Minor emergency works (e.g. removal of washouts and fallen trees, and provision of tarpaulin to slope scars associated with minor landslide incidents) shall be charged to the General Revenue Account Subhead 273.
- (ii) Subsequent remedial works shall be charged to Block Allocation Head 706 Subhead 6100TX.
