

HyD Construction and Demolition Material Vetting Committee

Membership and Terms of Reference

Membership

Chairman : AD/HQ  
Members : CHE/R&D and TS  
Secretary : SE/R&D2

Terms of Reference

- (a) To scrutinize and endorse construction and demolition material management plans (C&DMMP) and its revisions prepared by the project proponent;
- (b) To monitor the implementation of the C&DMMP;
- (c) To submit a half-yearly status report on the implementation of C&DMMP in June and December to the Public Fill Committee (PFC) for consideration; and
- (d) To review those projects exempted from the C&DMMP and check if the actual quantities of materials generated exceed the estimates that justify the exemption. If so, take appropriate control measures and highlight the situation in the half-yearly report for submission to PFC.
