Notes:

(1) Works-related and non-works related outsourced service contracts are included.

(2) Only information on non-works related outsourced service contracts is included. For works-related outsourced service contracts, the number of staff engaged by those contractors and consultants under their respective contracts and consultancies varied from time to time depending on the actual volume of works and services delivered at a particular time. Thus the HyD cannot provide information on the number of staff employed by them, the average monthly salary, average length of service, proportion to the total number of staff in the department, weekly working days, weekly working hours, etc. in the year.
