

Railways Ordinance (Chapter 519)

Scheme annexed with General Layout Plans Nos. HSK-G01 to HSK-G03 inclusive; and Control of Building Plans and Commencement of Work Plan No. HSK-P01 describing the Railway Station at Hung Shui Kiu

General Nature and Effects of the Railway

The Secretary for Transport and Logistics proposes to construct a new railway station at Hung Shui Kiu, as described below and shown on General Layout Plans Nos. HSK-G01 to HSK-G03 inclusive; and Control of Building Plans and Commencement of Work Plan No. HSK-P01 (the 'Plans').

2. The proposed railway station at Hung Shui Kiu will be an intermediate station at the existing Tuen Ma Line between Tin Shui Wai Station and Siu Hong Station. The proposed railway station at Hung Shui Kiu includes the following works:

- (a) construction of the above ground railway station and railway facilities at Hung Shui Kiu, and associated station entrances, emergency vehicular access and plant rooms;
- (b) modification works of the existing Tuen Ma Line to maintain existing operation and facilitate future operation;
- (c) demolition of the existing emergency access point;
- (d) civil, structural and foundation works, electrical and mechanical works;
- (e) construction of other associated railway facilities, including train control and communication facilities, and electrical and mechanical plants;
- (f) associated reconstruction, modification and realignment of existing roads and facilities including carriageways and footpaths;
- (g) preventive or remedial works including ground treatment; and
- (h) ancillary works including associated drainage works, waterworks, slope works, landscaping works, other road works, and demolition and reprovisioning of existing services and facilities.

Roads to be Closed or Substantially Altered

3. For the purposes of or incidental to the scheme, the Secretary for Transport and Logistics proposes that powers under section 22 of the Railways Ordinance (the ‘Ordinance’) may be exercised to authorize the closure or substantial alteration of the roads or part thereof either permanently or temporarily as shown on General Layout Plans Nos. HSK-G01 to HSK-G03 inclusive; and to declare that, or the extent to which, and the time at, or duration for which, any public or private right in, upon, under or over the roads is extinguished, modified or restricted. Further notice, setting out the manner in which the roads are to be closed or substantially altered, will be issued under section 23 of the Ordinance as and when required.

Inspection and Preventive and Remedial Work on Land and Buildings

4. For the purposes of or incidental to the scheme, the Secretary for Transport and Logistics proposes that powers under section 24 of the Ordinance may be exercised to enter any land or building situated wholly or partly within the boundaries of the scheme, or wholly or partly within 70 metres of the boundaries of the scheme to:

- (a)
 - (i) inspect, value, investigate the site or test, including drilling, excavating and installing or removing instruments;
 - (ii) survey or take levels; and
 - (iii) set out any line of works,

for the scheme, an assessment of the value of any land, building or other property or to ascertain the condition of the land or building; and
- (b) carry out all reasonably necessary operations of a preventive or remedial nature.

Further notice, setting out the purpose of the entry and the nature of any operations to be carried out, will be issued under section 24 of the Ordinance as and when required.

Utility Services

5. For the purposes of the scheme, the Secretary for Transport and Logistics proposes that powers under section 25 of the Ordinance may be exercised to require the owner of any gas, electricity, water or telecommunications service apparatus situated on any unleased Government land to alter the course or position of any wire, line, cable, pipe, tube, casing, duct, post or other apparatus which belongs to or is maintained by that owner and to repair any road surface disturbed by the action. Further notice, setting out the nature of the apparatus, the manner in which the course or position of such apparatus is to be altered and the repair of any road surface, will be issued under section 25 of the Ordinance as and when required.

Removal of Objects or Structures Attached to or Projecting from Land or Buildings

6. For the purposes of or incidental to the scheme, the Secretary for Transport and Logistics proposes that powers under section 26 of the Ordinance may be exercised to require the owner of any land or building to remove any object or structure which is attached to or projects from the land or building. Further notice, setting out the object or structure to be removed and the period within which the work of removal is to be carried out will be issued under section 26 of the Ordinance as and when required.

Control of Building Plans and Commencement of Work Incompatible with the Scheme or the Operation or Maintenance of the Railway

7. For the purposes of exercise of the powers of the Building Authority under section 27 of the Ordinance, the Control of Building Plans and Commencement of Work Plan No. HSK-P01 shows and describes the land on which control of building plans or commencement of building works including building works outside the boundaries of the scheme which are incompatible with the scheme or the operation or maintenance of the railway may be required.
