

RAILWAYS ORDINANCE (Chapter 519)

(Notice under Section 6(4))

TUNG CHUNG LINE EXTENSION

Notice is hereby given that the Secretary for Transport and Housing proposes to construct the Tung Chung Line Extension as described in the scheme and shown on General Layout Plans Nos. TCLE-G01 to TCLE-G10 inclusive; Land Resumption Plan No. TCLE-L01; Underground Strata Resumption Plan No. TCLE-U01; Creation of Rights of Temporary Occupation of Land Plan No. TCLE-T01; and Control of Building Plans and Commencement of Work Plans Nos. TCLE-P01 and TCLE-P02 (the 'Plans') annexed thereto. The scheme and the Plans have been deposited in the Land Registry.

The general nature and effects of the scheme are as follows:—

The proposed Tung Chung Line Extension consists of two parts namely an extension of the existing Tung Chung Line to a new terminal station at Tung Chung West, which will be located approximately 0.8 kilometer west of Tung Chung Station, and a new intermediate railway station at Tung Chung East between Sunny Bay Station and Tung Chung Station, which will be located approximately 2 kilometers east of Tung Chung Station at the Tung Chung New Town Extension (East) reclamation. The proposed Tung Chung Line Extension includes the following works:—

(a) construction of:—

- (i) the underground railway station and railway facilities at Tung Chung West to the west of Yat Tung Estate and associated station entrances;
- (ii) the above ground railway station and railway facilities at Tung Chung East to the east of Ying Tung Estate, associated station entrances and means of escape;
- (iii) approximately 0.8 kilometer long underground railway tunnels connecting the proposed railway station at Tung Chung West near Yat Tung Estate and the existing Tung Chung Station;
- (iv) ventilation buildings and an emergency access to the west of Yat Tung Estate at the proposed railway station at Tung Chung West;
- (v) an emergency access and plant rooms near Tung Chung Crescent next to Shun Tung Road;
- (vi) the emergency accesses and station footbridges to the east of Ying Tung Estate at the proposed railway station at Tung Chung East;

(b) modification works of the existing Tung Chung Line to facilitate future operation including:—

- (i) modification of the existing Tung Chung Station;
- (ii) diversion of the tracks including associated track realignment works, decanting works, installation of new tracks, turnouts works, overhead line facilities and equipment works, plant rooms works and permanent realignment works;
- (iii) modification of the existing noise barriers;
- (iv) modification of Tung Chung Traction Substation;
- (v) ancillary works including associated electrical and mechanical works, civil works, drainage works, lighting works and landscaping works;

(c) railway track formation works, earthworks, civil and structural works, electrical and mechanical works;

(d) construction of other associated railway facilities including trackwork, train control and communication facilities, noise barriers and electrical and mechanical plants;

(e) construction of temporary barge loading facilities at Tung Chung Waterfront Road;

(f) associated reconstruction, modification and realignment of existing roads and facilities including carriageways, flyovers, bridges, footpaths, footbridges, retaining walls, staircases, open spaces, cycling tracks, bicycle parking spaces, amenities, bus lay-bys and bus shelters;

(g) preventive or remedial works including ground treatment; and

(h) ancillary works including associated drainage works, slope works, landscaping works, other road works, demolition and reprovisioning of existing services and facilities, and demolition of abandoned foundations and facilities.
