Notes:
1. CHS posts are not suitable for single blocked-out mountings.
2. Widths may be varied for cases shown in H2114 & H2119.
3. Sufficient washers are to be provided at centre fixing for rail to be mounted vertical.
4. Dimensions are in millimetres.
5. See Drg. No. H2123 and H2125 for details of cleats struts and posts.

1. CHS POST

2. RHS POST

Notes:
3. Direct double mounting
4. Blocked - out double mounting
5. Blocked - out single mounting
