Notes:
1. These survey markers are only for use with guidelines by Hwy
   Engineering Survey staff.
2. All dimensions are in mm.
3. All stainless steel material denoted by 'S.S.' to be grade 304.
4. All English lettering to be acid etched on stainless steel with red
   color paint back-filling.
5. Type 'A' stainless steel pin should normally be used with type 'C'
   stainless steel washer. Type 'B' stainless steel pin could be used
   when ground conditions prohibit the use of type 'A' pin.
