

PLAN

SECTION A - A

SECTION B - B

Notes :

1. All dimensions in millimetres
2. Refer to Drg. No. H1103 for paving construction details.
3. For precast concrete paving units containing recycled glass cullet of 20% to 25% by weight of the total aggregates, each unit shall bear an additional spacer nib as an identification mark on one of the vertical surfaces of the unit as shown in the manufacturer's catalogue.
