

PLAN

SECTION A - A

SECTION B - B

Notes :

1. All dimensions in millimetres
2. Refer to Drg. No. H1103 for paving construction details.
3. For precast concrete paving units containing recycled glass cullet of 20% to 25% or 30% to 35 % by weight of the total aggregates, each unit shall bear an additional spacer nib as an identification mark on the vertical surface(s) of the unit as shown in the manufacturer's catalogue.
