Notes :

- All dimensions are in millimetres.
- See the latest version of HyD Standard Drawing Nos. H 5101 & H 5102 for details of block types 'A' & 'B'
- Colours mentioned are product specific; true colour should be verified by submission of samples.
- Use of clay pavers on new paving is not recommended under normal circumstances. Proposal on new paving with clay pavers should only be considered if the sustainability on skid resistance and durability of the proposed clay pavers could be verified for approval by the Highways Department.
- Herringbone pattern is preferred for footpath locations subject to heavy loading.
