You are also required to declare any involvement or interest if it is considered by you to be in real or apparent conflict with the duties to be performed for this consultancy. This information will not be counted as part of the A4 size pages. Any involvement or interest declared
would be carefully considered but would not automatically bar you from being further considered in the selection process.

You are required to comply with the requirements as described in the “Notes to the Requirements of Quality Management System Certification of Consultants” in Annex D of the EIP, and submit all necessary documents together with your expression of interest submission.

The initial list of qualified consultants to which invitation letters for submitting expression of interest have been sent is given in Annex E of the EIP for your information. Based on the response received, normally not less than four suitable firms will be shortlisted for submission of technical and fee proposals.

It is intended that, from those consultants who express an interest in undertaking the Agreement, a shortlist of consultants will be prepared for the Agreement. The shortlisted consultants will be invited to submit technical and fee proposals for the Agreement, based on which the final selection of the consultants will be made. However, you should note that the Government is not bound to invite technical and fee proposals from any of these consultants expressing an interest.

Consultants having linkages to each other, e.g. subsidiaries, parent or sister companies are not allowed to bid on the same agreement. Only one firm of such consultants, as the case may be, should submit expression of interest for this agreement. You are required to declare any linkage with other consultants on the above list.

Please note that where you are non-resident corporation or, where you are unincorporated joint venture or partnership or sole proprietorship, any one of the participants or partners or the sole proprietor is a non-resident, the Government shall withhold a percentage equivalent to the prevailing Hong Kong Special Administrative Region (hereinafter referred to as Hong Kong) profits tax rate applicable to unincorporated and incorporated business at the time the services are rendered (the current rates being 16% for unincorporated business and 17.5% for incorporated business for the year of assessment of 2004/2005) of any fee payable to the Consultants, whether by way of lump sum, instalments or discounted payments, but exclusive of any reimbursement of expenses, if any, in respect of the Services performed/provided in Hong Kong for the settlement of Hong Kong profits tax chargeable on the fee. Any balance representing the excess of fees so withheld in the basis period of the year of assessment over your tax liability for that year will be returned to you without interest within a reasonable time upon final determination and settlement of your tax liabilities.

Where you are non-resident corporation or, where you are unincorporated joint venture or partnership or sole proprietorship, any one of the participants or partners or the sole proprietor is a non-resident, should you be awarded the consultancy, such data (including but not limited to your names, nature of engagement, consultancy period, consultancy fee, correspondence address (both local and overseas) and the amount of tax withheld) will be notified/provided to the Inland Revenue Department for tax assessment and collection purposes.

“Non-resident” means in the case of an individual, one who maintains a place of abode outside Hong Kong; and in the case of a corporation, one which is not incorporated in Hong Kong.
You shall declare your resident status or the sole proprietor’s resident status in your consultancy proposals. If you are unincorporated joint venture or partnership, you must declare the resident status of each and every participant or partner thereof.
