(e) your comments on the draft Brief and the draft Schedule of Fees.

If a black rainstorm warning or typhoon signal No. 8 or above is hoisted between 9 a.m. and 12 noon on the closing day for receipt of the submissions, the closing date shall be extended to 12 noon on the following working day (excluding Saturday). Late submissions will not be considered.

Please note that no attachments, except attachments for the curriculum vitae of the key staff likely to be employed on the consultancy and the organization chart of the study/project team as mentioned above, should be included in your submission. Late submissions or submissions that do not conform to the requirements in respect of the number of pages, the page size, the font size or the attachments shall not be considered.

If you are a limited liability company, then you are required to submit documentary proof that the majority of the voting power in meetings of the company shall be held by directors who are consulting engineers (or equivalent professionals of associated professions). This information will not be counted as part of the four A4 size pages.

You are also required to declare any involvement or interest if it is considered by you to be in real or apparent conflict with the duties to be performed for this consultancy. This information will not be counted as part of the four A4 size pages. Any involvement or interest declared would be carefully considered but would not automatically bar you from being further considered in the selection process.

The initial list of qualified consultants approached for this Assignment is given in Annex C of the EIP for your information. Based on the response received, normally four suitable firms will be shortlisted for submission of Technical and Fee Proposals. The Government is not bound to invite Technical and Fee Proposals from any of these
consultants expressing an interest.

No Consultants are permitted to submit more than one bid for the same agreement. For the avoidance of doubt, Consultants who submit a bid in their own name and a bid in the name of an un-incorporated joint venture/partnership (with the Consultants concerned as a participant/partner) will be considered as having submitted two bids. Consultants (these must be consulting firms to be eligible for being considered for this consultant selection exercise) having linkages to each other, e.g. subsidiaries, parent or sister companies are not allowed to bid on the same agreement. Only one firm among such consultants, as the case may be, should be allowed to submit Expression of Interest for a consultancy agreement. You are thus required to declare any linkage with other consultants on the above list. This information will not be counted as part of the four A4 size pages. The existence of a holding-subsidiary relationship shall be determined in accordance with the provisions in Section 2(4) to (8) of the Companies Ordinance, Cap 32, “Sister companies” shall mean all companies which are subsidiaries of or otherwise belonging to the same holding company. Consultants having linkages should sort out among themselves before submitting any Expression of Interest.

For the purpose of this “no linkage” requirement, an academic institution and any separate entities/companies formed by the same academic institution or any of its current staff, or any two of such entities/companies (whether formed by the same staff or not), shall be regarded as “linked”. An academic institution, and all such entities/companies formed by it or any of its current staff (whether by the same staff or not), shall be allowed to submit only one Expression of Interest for the same consultancy agreement. You are also required to declare any such linkage with other consultants on the above list, if applicable. An entity/company is regarded as formed by the academic institution or its staff if the latter is a partner/shareholder or a director of the former, whether or not the latter is a founding partner/subscriber when the entity/company was formed.

Failure to observe this requirement shall render all related Expression of Interest submitted null and void and any such submission shall not be considered.

You are required to comply with the requirements as described in the “Requirements of Quality Management System Certification of Consultants” in Annex D of the EIP and submit all necessary documents together with your Expression of Interest submission. This information will not be counted as part of the four A4 size pages.

You may make your submission in either electronic format or hard copy format. If
part of the submission is made in both electronic and hard copy formats, the electronic format shall prevail over the corresponding hard copy format. If you elect to make your submission in electronic format, the documents for your proposal shall be prepared and submitted in accordance with Annex E of the EIP - Requirements for Submission of Proposal in Electronic Format. All proposals, whether submitted in electronic format or in hard copy format, will be evaluated on an equal basis. Notwithstanding paragraph no. 16 in WBTC No. 31/2001, the Expression of Interest in either format shall be submitted directly to this Office at the address given in this letter.

The electronic documents for preparing your submission are included in the EIP and are listed in Schedule 2 to the licence conditions in Annex F of the EIP for using these documents. You will be deemed to have accepted these conditions if you use the documents listed in Schedule 2.

The assessment criteria and weightings for marking the Expression of Interest submitted by consultants and the composition of the assessment panel are given in Annex G of the EIP. For this Agreement, the past performance of sub-consultants shall be a mandatory assessment criterion in the Expression of Interest stage. However, the Assessment Panel has agreed that the past performance of sub-consultants will not be assessed in the technical proposals to be submitted by the shortlisted consultants in the Technical and Fee Proposal stage.

Please note that where the Consultants are non-resident corporation or, where the Consultants are unincorporated joint venture or partnership or sole proprietorship, any one of the participants or partners or the sole proprietor is a non-resident, the Government shall withhold a percentage equivalent to the prevailing Hong Kong Special Administrative Region (hereinafter referred to as Hong Kong) profits tax rate applicable to unincorporated and incorporated business at the time the services are rendered (the current rates being 15% for unincorporated business and 16.5% for incorporated business for the year of assessment of 2011/2012) of any fee payable to the Consultants, whether by way of lump sum, installments or discounted payments, but exclusive of any reimbursement of expenses, if any, in respect of the Services performed/provided in Hong Kong for the settlement of Hong Kong profits tax chargeable on the fee. Any balance representing the excess of fees so withheld in the basis period of the year of assessment over the Consultants' tax liability for that year will be returned to the Consultants without interest within a reasonable time upon final determination and settlement of their tax liabilities.

Where the Consultants are non-resident corporation or, where the Consultants are...
unincorporated joint venture or partnership or sole proprietorship, any one of the participants or partners or the sole proprietor is a non-resident, should they be awarded the consultancy, such data (including but not limited to their names, nature of engagement, consultancy period, consultancy fee, correspondence address (both local and overseas) and the amount of tax withheld) will be notified/provided to the Inland Revenue Department for tax assessment and collection purposes.

“Non-resident” means in the case of an individual, one who maintains a place of abode outside Hong Kong; and in the case of a corporation, one which is not incorporated in Hong Kong.

Consultants shall declare their resident status or the sole proprietor’s resident status in their consultancy proposals. If the Consultants are unincorporated joint venture or partnership, the Consultants must declare the resident status of each and every participant or partner thereof. A sample declaration letter is given in ETWB TC(W) No. 34/2004. This information will not be counted as part of the four A4 size pages.

Your attention is also drawn to ETWB TC(W) No. 3/2005 regarding the novation of consultancy agreement. A consultant who has requested novation of consultancy agreements pursuant to the provision in the circular would not be invited to bid for or be awarded any further consultancies. Similarly, bids submitted by consultants who engage such a consultant as a sub-consultant would not be considered.

Please also note that documents of unsuccessful consulting firms will be destroyed three months after the date the Agreement has been awarded and signed.

It should be note that the Government will not be responsible for the reimbursement of any cost incurred by you for the preparation of the submission.

If you have any enquires, please contact my Senior Engineer, Mr. K. L. Ng at 2762 3970 or my Engineer, Mr. K. W. Leung at 2762 3525.
