You will be deemed to have accepted the Licence Conditions if you use the documents listed in Schedule 2. These documents have been Digitally Signed by using an e-Cert issued by the Hong Kong Post.
The assessment criteria and weightings for making the Expression of Interest submitted by consultants and the composition of the Assessment Panel are given in Annex D of the EIP.

For information, the Assessment Panel has agreed that for this consultancy, the past performance of sub-consultants will not be assessed in the Technical and Fee Proposal stage. However, the past performance of sub-consultants of any disciplines shall continue to be a mandatory assessment criterion in the Expression of Interest stage.

You are required to comply with the requirements as described in the “Requirements of Quality Management System Certification of Consultants” in Annex E of the EIP, and submit all necessary documents together with your Expression of Interest submission.

If you are a limited liability company, then you are required to submit documentary proof that the majority of the voting power in meetings of the company shall be held by directors who are consulting engineers (or equivalent professionals of associated professions).

Your attention is drawn to the requirements of Environment, Transport and Works Bureau Technical Circular (Works) (ETWB TC(W)) No. 18/2005 on the avoidance of conflicts of interest and debarring. You are also required to declare any involvement or interest if it is considered by you to be in real or apparent conflict with the duties to be performed for this consultancy. Any involvement or interest declared would be carefully considered but would not automatically bar you from being further considered in the selection process.

Please note that where the Consultants are non-resident corporation or, where the Consultants are unincorporated joint venture or partnership or sole proprietorship, any one of the participants or partners or the sole proprietor is a non-resident, the Government shall withhold a percentage equivalent to the prevailing Hong Kong Special Administrative Region (hereinafter referred to as Hong Kong) profits tax rate applicable to unincorporated and incorporated business at the time the services are rendered (the current rates being 15% for unincorporated business and 16.5% for incorporated business for the year of assessment of 2012/2013) of any fee payable to the Consultants, whether by way of lump sum, installments or discounted payments, but exclusive of any reimbursement of expenses, if any, in respect of the Services performed/provided in Hong Kong for the settlement of Hong Kong profits tax chargeable on the fee. Any balance representing the excess of fees so withheld in the basis period of the year of assessment over the Consultants’ tax liability for that year will be returned to the Consultants without interest within a reasonable time upon final determination and settlement of its tax liabilities.

Where the Consultants are non-resident corporation or, where the Consultants are unincorporated joint venture or partnership or sole proprietorship, any one of the participants or partners or the sole proprietor is a non-resident, should it be awarded the consultancy, such data (including but not limited to their names, nature of engagement, consultancy period, consultancy fee, correspondence address (both local and overseas) and
the amount of tax withheld) will be notified/provided to the Inland Revenue Department for tax assessment and collection purposes.

“Non-resident” means in the case of an individual, one who maintains a place of abode outside Hong Kong; and in the case of a corporation, one which is not incorporated in Hong Kong.

Consultants shall declare their resident status or the sole proprietor’s resident status in their consultancy proposals. If the Consultants are unincorporated joint venture or partnership, the Consultants must declare the resident status of each and every participant or partner thereof. A sample declaration letter is given in ETWB TC(W) No. 34/2004.

The initial list of qualified consultants invited to submit Expression of Interest for this Assignment is given in Annex F of the EIP for your information. Based on the response received, normally four suitable firms will be shortlisted for submission of technical and fee proposals. The Government is not bound to invite technical and fee proposals from any consultant expressing an interest.

No Consultants are permitted to submit more than one bid for the same agreement. For the avoidance of doubt, Consultants who submit a bid in their own name and a bid in the name of an un-incorporated joint venture/partnership (with the Consultants concerned as a participant/partner) will be considered as having submitted two bids. Consultants (these must be consulting firms to be eligible for being considered for this consultant selection exercise) having linkages to each other, e.g. subsidiaries, parent or sister companies are not allowed to bid on the same agreement. Only one firm among such consultants, as the case may be, should be allowed to submit expression of interest for a consultancy agreement. You are thus required to declare any linkage with other consultants on the above list. The existence of a holding-subsidiary relationship shall be determined in accordance with the provisions in Section 2(4) to (8) of the Companies Ordinance, Cap 32, “Sister companies” shall mean all companies which are subsidiaries of or otherwise belonging to the same holding company. Consultants having linkages should sort out among themselves before submitting any expression of interest.

For the purpose of this “no linkage” requirement, an academic institution and any separate entities/companies formed by the same academic institution or any of its current staff, or any two of such entities/companies (whether formed by the same staff or not), shall be regarded as “linked”. An academic institution, and all such entities/companies formed by it or any of its current staff (whether by the same staff or not), shall be allowed to submit only one expression of interest for the same consultancy agreement. You are also required to declare any such linkage with other consultants on the above list, if applicable. An entity/company is regarded as formed by the academic institution or its staff if the latter is a partner/shareholder or a director of the former, whether or not the latter is a founding partner/subscriber when the entity/company was formed.

Failure to observe this requirement shall render all related Expression of Interest submitted null and void and any such submission shall not be considered.
Your attention is also drawn to ETWB TC(W) No. 3/2005 regarding the novation of consultancy agreement. A consultant who has requested novation of consultancy agreements pursuant to the provision in the circular would not be invited to bid for or be awarded any further consultancies. Similarly, bids submitted by consultants who engage such a consultant as a sub-consultant would not be considered.

The materials listed under Appendix D of the draft Brief (Annex A of the EIP) are available for inspection by making an appointment with our Engineer, Mr. Kenneth K. T. SHEK, at telephone number 2707 7230 or email address echt3.u@hyd.gov.hk.
