7. Your reply shall be submitted in sealed envelope(s) clearly indicating your company’s name and the assignment reference (i.e. Agreement No. CE 65/2016 (HY)) and marked “Restricted (Contract)”.

8. You may make your submission in either electronic format or hard copy format. If part of the submissions is made in both electronic and hard copy formats, the electronic format shall prevail over the corresponding hard copy format. If you elect to make your submission in electronic format, the documents for your proposal shall be prepared and submitted in accordance with **Annex C** of the EIP – Requirements for Submission of Proposal in Electronic Format. All proposals, whether submitted in electronic format or hard copy format, will be evaluated on an equal basis. Notwithstanding paragraph no. 16 in WBTC No. 31/2001, the Expression of Interest (EOI) in either format shall be submitted directly to this office at the address given in this letter.

9. The electronic documents for preparing your submission are listed in Schedule 2 to the Licence Conditions for the EIP (**Annex D** of the EIP). You will be deemed to have accepted these conditions if you use the documents listed in Schedule 2.

10. If a black rainstorm warning signal or tropical cyclone signal No. 8 or above is hoisted between 9:00 am and 12:00 noon on the above deadline, the deadline will be extended to 12:00 noon on the following working day. Saturday is not counted as a working day.

11. The assessment criteria and weightings for marking the EOI submitted by consultants and the composition of the Assessment Panel are given in **Annex E** of the EIP.

12. If you are a limited liability company, then you are required to submit documentary proof that the majority of the voting power in meetings of the company shall be held by directors who are consulting engineers (or equivalent professionals of associated professions).

13. Your attention is drawn to Environment, Transport and Works Bureau Technical Circular (Works) No. 18/2005 regarding the requirements on the avoidance of conflicts of interests and debarring.

14. You are also required to declare any involvement or interest if it is considered by you to be in real or apparent conflict with the duties to be performed for this consultancy. Any involvement or interest declared would be carefully considered but would not automatically bar you from being further considered in the selection process.

15. For information, the Assessment Panel has agreed that for this consultancy, the past performance of sub-consultants will not be assessed in the Technical and Fee Proposal stage.

16. The initial list of qualified consultants approached for this Assignment is given in **Annex F** of the EIP for your information. Based on the response received, normally four suitable firms will be shortlisted for submission of technical and fee proposals. However, you should note that the Government is not bound to invite technical and fee proposals from any of these consultants expressing an interest.

17. No Consultants are permitted to submit more than one bid for the same agreement. For the avoidance of doubt, Consultants who submit a bid in their own name and a bid in the name of an un-incorporated joint venture/partnership (with the Consultants concerned as a participant/partner) will be considered as having submitted two bids. Consultants (these must be consulting firms to be eligible for being considered for this consultant selection exercise) having linkages to each other, e.g. subsidiaries, parent or sister companies, are not allowed to bid on the same agreement. Only one firm among such consultants, as the case may be, should be allowed to submit EOI for a consultancy agreement. You are thus required to declare any linkage with other consultants on the above list (**Annex F** of the EIP). The existence of a holding-subsidary relationship shall be determined in accordance with the provisions in Sections 13 to 15 of the Companies Ordinance (Cap 622). "Sister companies" shall mean all companies which are subsidiaries of or otherwise belonging to the same holding company. Consultants having linkages should sort out among themselves before submitting any EOI.

18. For the purpose of this “no linkage” requirement, an academic institution and any separate entities/companies formed by the same academic institution or any of its current staff, or any two of such entities/companies (whether formed by the same staff or not), shall be regarded as “linked”. An academic institution, and all such entities/companies formed by it or any of its current staff (whether by the same staff or not), shall be allowed to submit only one EOI for the same consultancy agreement. You are also required to declare any such linkage with other consultants on the above list, if applicable. An entity/company is regarded as formed by the academic institution or its staff if the latter is a partner/shareholder or a director of the former, whether or not the latter is a founding partner/subscriber when the entity/company was formed. However, the “no linkage” rule does not apply to “linked” consulting firms (including academic institutions) who bid as sub-consultants only for any agreement.

19. Failure to observe this “no linkage” requirement shall render all related EOI submitted null and void and any such submission shall not be considered.

20. The consultant appointed in the early stage consultancy is a potential bidder, but all the information which was made available to that consultant and all the advice which the consultant has provided and which is relevant to the procurement of this consultancy will be equally made available to all potential consultants upon request.

21. The requirements for ISO 9000 certification are set out at **Annex G** of the EIP.

22. Please note that where the Consultants are non-resident corporation or, where the Consultants are unincorporated joint venture or partnership or sole proprietorship, any one of the participants or partners or the sole proprietor is a non-resident, the Government shall withhold a percentage equivalent to the prevailing Hong Kong Special Administrative Region (hereinafter referred to as Hong Kong) profits tax rate applicable to unincorporated and incorporated business at the time the Services are rendered (the current rates being 15% for unincorporated business and 16.5% for incorporated business for the year of assessment of 2016/2017) of any fee payable to the Consultants, whether by way of lump sum, instalments or discounted payments, but exclusive of any reimbursement of expenses, if any, in respect of the Services performed / provided in Hong Kong for the settlement of Hong Kong profits tax chargeable on the fee. Any balance representing the excess of fees so withheld in the basis period of the year of assessment over the Consultants’ tax liability for that year will be returned to Consultants without interest within a reasonable time upon final determination and settlement of their tax liabilities.

23. Where the Consultants are non-resident corporation or, where the Consultants are unincorporated joint venture or partnership or sole proprietorship, any one of the participants or partners or the sole proprietor is a non-resident, should they be awarded the consultancy, such data (including but not limited to their names, nature of engagement, consultancy period, consultancy fee, correspondence address (both local and overseas) and the amount of tax withheld) will be notified/provided to the Inland Revenue Department for tax assessment and collection purposes.

24. “Non-resident” means in the case of an individual, one who maintains a place of abode outside Hong Kong; and in the case of a corporation, one which is not incorporated in Hong Kong.

25. Consultants shall declare their resident status or the sole proprietor’s resident status in their consultancy proposals. If the Consultants are unincorporated joint venture or partnership, the Consultants must declare the resident status of each and every participant or partner thereof. A sample declaration letter is given in Environment, Transport and Works Bureau Technical Circular (Works) No. 34/2004.

26. Your attention is also drawn to Environment, Transport and Works Bureau Technical Circular (Works) No. 3/2005 regarding the novation of consultancy agreement. A consultant who has requested for novation of consultancy agreements pursuant to the provision in the circular would not be invited to bid for or be awarded any further consultancies. Similarly, bids submitted by consultants who engage such a consultant as a sub-consultant would not be considered.

27. For the avoidance of doubt, the following submissions will not be counted as the six A4 size pages as described in the paragraph 5 of this notice:

(i) Declaration of meeting the longlisting criteria	2
(ii) Documentary proof in relation to voting power if you are a limited liability company	12
